

SAMPLE JOB DESCRIPTION

JOB: Nature Conservation Estate Workers

LOCATION: Mendip Hills & Somerset Levels

EMPLOYER: Green Mantle (Ecosophy) Limited

DESCRIPTION:

Exciting opportunity to gain invaluable experience of countryside management and discover extensive networking possibilities. Full-time staff required to join small dynamic team undertaking hedge-laying, felling, fencing, coppicing, tree planting, footpath maintenance and scrub clearance, mainly on SSSIs. Possible opportunities within associated ecological consultancy may also arise.

SKILLS REQUIRED:

Essential

- N.P.T.C. Chainsaw Certificate Unit 31
- Work Experience and a high degree of practical aptitude
- Qualified in nature conservation/ecology
- Physically fit and willing to work outdoors in all weather
- Will need own transport and must be prepared to transport tools and staff if required
- Must be prepared to live locally
- Must have a mobile phone which is available for use during the working day in order to keep in contact

Desirable

- N.P.T.C. Herbicide Certificate Units PA1 & PA6A
- Experience of Extended Phase 1 Habitat and protected species surveys
- First Aid at Work Certificate
- Deep Ecological approach
